Docket no.: 00N1571 – Public hearing on proposal to withdraw poultry antimicrobial approval

According to my letter, sent to you on 28th February, I would very much like to participate in the pre-hearing conference with Bayer and the FDA on 8th april, on behalf of the Royal Danish Embassy in Washington DC. This letter however is to clarify, that I will only participate as an observer **and** not as an active participant of the pre-hearing. My main objective -is to report the outcome of the pre-hearing to the Danish poultry industry.

For further information, please do not hesitate to contact me at the embassy. You can reach me by phone: (202) 797-5340 and/or e-mail: brijen@um.dk

I look forward to hear from you.

Sincerely yours

Brian Jensen
